Our Mission:

TOGETHER WE LOVE, WE LEARN, WE LIVE

Our Values:

- Curiosity
- Stewardship
- Resilience
- Forgiveness
- Respect
- Love

Aims

- Knowledge and understanding of Catholic Faith and Life.
- Knowledge and understanding of the response of faith to the ultimate questions about human life, its origin and purpose.
- The skills required to engage in examination of and reflection upon religious belief and practice, including having knowledge and awareness of other faiths.
- To promote the Gospel Values and how they are applied in everyday life whilst providing opportunities for children to develop a personal relationship with God.

Objectives

- To create a school community where Christian values inform every aspect of social life and promote respect and understanding of other faiths.
- To develop awareness, appreciation and the understanding of Catholic beliefs and provide children with experiences of scripture, liturgy and real life context.
- RE is for all. It is a collaborative activity that respects and promotes the child's innate capacity for wonder, awe, reverence and imagination.
- Every child is supported to express and foster appropriate attitudes; respect for truth; respect for views of others; awareness of the spiritual, of moral, responsibility, of the demands of religious commitment in everyday life and especially the challenge of living in a multi-cultural, multi-faith society.

Guidelines

- 10% of teaching time is to be given to RE (in line with the Bishop's Conference of England and Wales).
- God Matters will be taught according to the guidance given in the syllabus, which is relevant to the age group of the classes. RE will be taught through direct teaching, integrated lessons, visits, visitors, and prayers. The topics for the year are fixed and represent a whole school approach. However, the Diocese may request that changes be made to the order of the units in order to accommodate special events or celebrations.
- The School will follow the Liturgical year, alongside God Matters, with emphasis on Advent, Christmas, Lent, Easter and Pentecost.
- The children will be encouraged to see themselves as part of a wider community of God's World. They will be encouraged to consider others through outreach activities, which will range from those set on a yearly bases, those which arise out of the children's own ideas, world events and school and Diocesan initiatives.

Delivery of the RE Curriculum:

- At St Joseph's Catholic Primary School, we are predominantly using the Clifton Diocese scheme, which is supplemented using the 'God Matters' scheme of work.
- All topics link to the liturgical seasons plus two other faiths a year are studied throughout the school. Progression is built into the scheme, which encourages learning through encouragement, exploration and experience.
- All pupils partake in all RE teaching and learning activities in the school. Any parents with concerns about their child's participation are invited to discuss this with the Head Teacher / RE Lead.

Staff Development

- All members of the Trust are encouraged to develop their own confidence and expertise through in-service training, that focuses on CPD/
- Provision will be made through release time for each RE Leader to monitor assessment throughout the relevant school and liaise across schools
