

Theme /Topic

Adaptations and inheritance

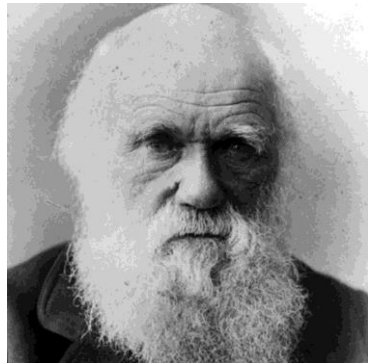

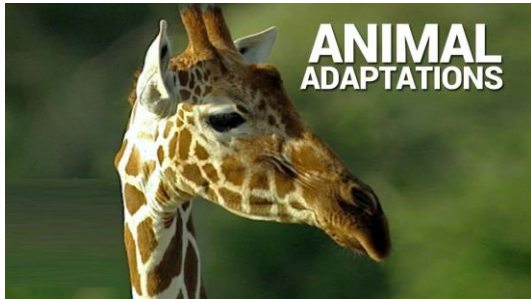

How have animals adapted to suit their environment?

Year Group: 6

Spring 2024

Mrs Coombes

Motivational Stimulus

Celebratory Event

Science Workshop - 18th January

St Joseph's Day - 19th March

Areas of Learning

- As a writer I choose vocabulary well.
- As a writer I know how important it is to write well.
- As a reader I understand what I have read.
- As a Mathematician I use reliable methods for working.
- As a Mathematician I persevere to solve a problem.
- As a theologian I can talk about and reflect on my own beliefs.
As a scientist I have good scientific knowledge and can use it when I am working.

Curriculum Drivers

Curiosity - asking questions about our wonderful world and having a thirst for finding out more

Forgiveness - the act of letting go and moving on
