

St Joseph

Today, on this special day, we pray to you,
St Joseph.

Help us to be hard-working and persevere
when we find things challenging.

Give us the strength to be selfless, humble, and put others
first as you did as a father to Jesus.

Help us to obey and listen to God like you
did when God spoke to you.

Help us to be faithful and loyal like you
were to Mary,

Guide us to be compassionate to others in
as many ways as we can

St Joseph, you were trusted to look after Mary and Jesus
on their journey, help us to be as loving as you were.

St Joseph, watch over and care for us, as you did for Mary
and Jesus.

Amen
