The Bridgwater Schools Travel Challenge returns in 2021!

Dear Parents and Carers,

For three weeks from **Monday 27 September – Friday 15 October** our school will be participating in this years' Bridgwater Schools Challenge to encourage healthy travel to school. Each day during the challenge, pupils will record how they travelled to school in their classrooms and are awarded points, with healthy travel options scoring the most points:

- Walk/Scoot/Cycle – 4 points
- Bus/Train – 3 points
- Park and Stride – 2 points
- Car with friends – 1 point
- Car – 0 points

Even if you live too far from school to walk, scoot or cycle all the way, points will be awarded if you Park and Stride (drive the first part of the journey, park somewhere safely and considerately, and walk/scoot for the final 5-10 minutes), or car share with friends (share the driving duties with a friend).

The overall score for the school will be logged each day and the school travelling most actively over the challenge period will win £750 to put towards anything of their choosing. There will be another prize of £750 for the school showing the most improvement in active travel, compared to their baseline travel survey so there is everything to play for! You'll be able to check out the leader board to keep an eye on how we're doing.

Thank you for your support!

Kind regards,

Miss Bax

St Joseph's is committed to safeguarding, if you have any concerns about your, or any child at St Joseph's please contact our Designated Safeguarding Leads Mr Simmonds, Mrs Setter or Mrs Moyse.
