Home Learning

Dear Parents,

Please find attached information about our home learning offer. We really appreciate the hard work that goes into supporting children at home during this time. There has been a really positive response this time from all the children working hard at home. It is great to see all their efforts. We have also included our Showbie acceptable use policy now that we are growing more confident and have completed our live lesson trails.

We understand that things are still very different for the children (and us adults!) so please remember we have remote support we can offer if you find yourself in need, just call or email the office and someone will be there.

We are here to help if we can so please don't hesitate to contact the class teachers or myself if you need any support or have a question.

Kind regards,

Mr Simmonds
